10/11/67

Dear J,

Peter Workma n just phoned to say pub date of O in NO is about 11/1. The first two copies off the bindery reached them Friday. They sent me one that, naturally, did not arrive yet.

So, this means that about the first of the month I should be starting on my trip, ending in L.A., with Frisco right ahead of it. his gives you a rough idea of when I'll be there.

If anything else turns up, I'll write,

Hurriedly,
